1. [redacted] Received a call from Miss Natalie Martin, in the office of Senator George Smathers, concerning the application of [redacted] Miss Martin said that Miss [redacted]

but had not heard from us since she applied in February. I advised Miss Martin that I would look into this and be in touch with her.

2. [redacted] As a result of Senator Saltonstall's query to the Director regarding the cancellation of yesterday's briefing of the CIA Subcommittee (which had been scheduled to cover the subject of the Middle East in addition to crisis areas), I advised the Senator's Administrative Assistant William Saltonstall that the briefing had been cancelled by Senator Stennis and that I had been so informed by William Darden, of the Subcommittee staff. William Saltonstall indicated it was quite possible that the message cancelling the meeting was lost in their own office and that his Senator would have been unable to attend in any event. However, he did thank us for calling him.

I attempted to reach Mr. Darden on this but he has been unavailable all day.
